

NOTIFICATION OF AIRE-FLO EXTENDED LIMITED WARRANTY (ONLINE REGISTRATION REQUIRED at www.aireflowarranty.com)

Aire-Flo provides certain components in its gas furnaces, air handlers, air conditioners and heat pumps with a basic five-year limited parts warranty. An extended limited parts warranty is available for certain components in select Aire-Flo products. This extended limited warranty is intended to supplement the basic five-year limited parts warranty with an additional five (5) years of limited warranty coverage; therefore, providing a total of ten (10) years of limited warranty coverage for applicable components. **The extended limited warranty requires online registration.** Other requirements apply in addition to the requirements and exclusions set forth in the basic warranty. This extended limited warranty covers eligible units and components only and does not include labor.

COVERED EQUIPMENT

The Aire-Flo extended limited warranty is being offered for applicable components in select gas furnaces, air handlers, air conditioners and heat pumps.

EQUIPMENT ELIGIBILITY REQUIREMENTS

Covered equipment must meet the following requirements:

- 1 - The equipment must be Aire-Flo-branded gas furnaces, air handlers, air conditioners and heat pumps.
NOTE - The extended limited warranty does not apply to compressors in outdoor units which use R-22 refrigerant. All other components in these units are covered.
- 2 - The equipment must be installed in a "Residential Application." (Residential Application is an owner-occupied, single-family dwelling which includes homes, duplexes and condominiums.) Commercial Applications are not eligible for this extended limited warranty.
- 3 - The equipment must be installed per the manufacturer's instructions by a licensed professional installer, or equivalent.
- 4 - Air handlers, air conditioners and heat pumps must be part of an AHRI-matched system.
- 5 - The system must comply with regional standards.
- 6 - Installation must take place on or after March 1, 2009.
- 7 - The extended limited warranty is being granted to the original purchaser, who must occupy the residence at the time of the warranty claim. The extended limited warranty is not transferable.
- 8 - The equipment must be properly registered at www.aireflowarranty.com within 60 days after the date of installation or closing date, except where prohibited by law. Proof of purchase or closing date may be required.

TERMS AND CONDITIONS

Unless modified herein, all terms and conditions set forth in the basic warranty remain the same. These include, but are not limited to, component availability, excluded components, repairs, care of equipment, coverage, exclusions, warranty procedures and dispute resolution.

NOTE - Registering your product does not guarantee the manufacturer's warranty or extended warranty or the application thereof. If the registered product does not meet all qualifying factors and/or requirements for standard or extended warranty, or falls within one of the warranty limitations, the warranty will not apply to the equipment and/or your product regardless of the fact that the product is registered.

NOTE - The manufacturer reserves the right to cancel this extended limited warranty program at any time, without notice. Warranties properly registered at the time of program cancellation will continue to be honored.

IMPORTANT WARRANTY INFORMATION

Congratulations on your purchase of your Aire-Flo heating and cooling equipment.

Please take a moment to read this document for important information about registering for an extended parts warranty. By registering, you agree to the terms of the basic warranty, including the Dispute Resolution section.
