Elite® and Dave Lennox Signature® Collection Louver Panel Updates

AFFECTED PRODUCT

XC13, XP13, XC14, XP14, XC16, XP16, XC17, XP17, XC21, XP21, XC25 and XP25

OVERVIEW

An additional two screws were added to the louver panels along with the removal of the vertical dampening gaskets to improve fit-up and alignment of louvered panels. These changes will be phased into product production over the next few months
